HE-ENTRECOMP DIGCOMP

DEVELOPMENT OF ENTRECOMP
& DIGICOMP FRAMEWORK IN
HIGHER EDUCATION

1st December 2020 to 30th November 2022
TURKEY • SPAIN • ITALY • GREECE

Summary of the project

HE-ENTREDIGComp is a two-year strategic association project jointly implemented in four partnering countries – Turkey, Spain, Italy and Greece with the main goal to support development of entrepreneurship and digital skills among Higher Education students of partnering countries.

Activities

**TRAINING COURSE ABOUT DEVELOPMENT OF
ENTREPRENEURIAL COMPETENCE AND INNOVATION**

September 2021 - Athens, Greece.

July 2022 - Vasto, Italy.

The participants will be Higher Education teachers, who will be trained on ENTRECOMP and DIGCOMP methodologies and the use of HACKATHON as an innovative tool. They will design a pilot project based in these frameworks to apply in their professional activity. Teachers will also collaborate in the different HACKATHON events planned for the 4 participating countries.

HACKATHON EVENTS

December 2021 - Madrid, Spain.

April 2022 - Vasto, Italy.

May 2022 - Athens, Greece.

June 2022 - Ankara, Turkey.

During the event, the students will design and prototype new technology-based solutions to address the Sustainable Development Goals (SDGs). They will work in teams to achieve their goals. We encourage students to think about the problems they face in their communities and in the European Union, giving them methodologies to create their own solutions while developing entrepreneurial and digital skills.

CLOSING EVENT, PRESENTATION OF THE GUIDES AND THE FINAL PROTOTYPES OF THE HACKATHON

October 2022 - Ankara, Turkey

This event will involve the participation of as many people as possible. The presentation of the Guides and the final prototypes of the HACKATHON events will increase the impact of the project and promote interest and the dissemination of tools and results.

Intellectual products

1. GUIDE FOR THE DEVELOPMENT OF ENTRECOMP AND DIGICOMP FRAMEWORK IN HIGHER EDUCATION

This guide will include the theoretical material on the European Reference Frameworks in Entrepreneurship and Digital Competences (ENTRECOMP and DIGCOMP) that will be used during the training of teachers. It will include techniques to apply in Higher Education competences and good practices shared by teachers on innovative methodologies in Higher Education and on planning technology-based projects.

2. GUIDE OF ENTREPRENEURIAL PROJECTS IN HIGHER EDUCATION

This guide will focus on collecting the projects and prototypes presented at the HACKATHON events in each country. It will contain information on how to organize and manage a HACKATHON and good practices shared by the professionals involved.
