BEST PRACTICES OVER THE EUROPE FOR EDUCATION TO ENTREPRENEURSHIP

JOINT STAFF TRAINING

Hosted by Mobilizing Expertise, one of our project partners, we held a Joint Staff Training in Malmo, Sweden on 17-19 October 2022. On the first day of the training, we implemented some name games and icebreaking methods. Later, Polaris one of our partners from Italy presented the good practices they applied.

VISITING REDI SCHOOL

After lunch, we visited RediSchool to learn about their practices. ReDI School is a non-profit tech school for women with migrant- and refugee backgrounds, offering a free program, including IT and tech courses on several levels. Our focus is to create digital empowerment by supporting women in getting access to digital skills and a social & professional network in Sweden.

SECOND DAY

On the second day of training, the partners continued to share their best practices. In the Mobilizing Expertise office, Mobilizing Expertise, Palizzi and Gyulai made presentations.

VISITING ENTREPRENEUR COMPANIES

VISITING IDEON INNOVATION

We visited Ideon Innovation which is located on the same plaza as Mobilizing Expertise. Ideon Innovation is an incubator that develops entrepreneurs, ideas, and companies through well-chosen, value-creating activities, and support resources. With experienced business coaching and broad collaboration.

THIRD DAY

On the last day of our training, we also visited **South Plains Brewing Company,** a microbrewery located in Malmö, Sweden, aiming to release high-quality, hand-crafted artisan ales made only with the purest ingredients. To bring inspiration and innovation to craft beer in Sweden.

VISITING ENTERPRENEUR COMPANIES

VISITING LEVEL

LEVEL exists to bring your dreams to fruition and to put Malmö on the map as an international hub for positive global impact. Through strategic alliances, collaborative efforts, and custom business services, LEVEL is slated to be Malmö's most powerful engine for international relations.
