Best4Ent

Visiting ITSET PALIZZI

We have come to the end of our Best4Ent Project, where the best entrepreneurship practices are shared. We held the Final Transnational Project Meeting in Vasto, Italy. On the first day of the meeting, we visited ITSET PALIZZI, one of our Italian partners, and saw their school, lessons, laboratories, and good practices.

Final Transnational Meeting

Visiting POLARIS

On the second day of the meeting, we visited another Italian partner, Polaris. In Polaris' office, all the work done during the project process was evaluated by following the agenda. The last stage was discussed dissemination and reporting.
