BEST4ENT

Best practices over the Europe for Education to Entrepreneurship

Co-funded by the Erasmus+ programme of the European Union

OBJECTIVES

Support the initial and continuing professional development of VET teachers, trainers and tutors in both school and professional settings
Develop partnerships aimed at promoting work-based learning in all its forms.
Support people in the acquisition and development of basic skills and key competences.

PREMISES

The entrepreneurship is a mind-set that includes the ability to work in a team, the creative thinking, the ability to solve problems, the ability to adapt, the flexibility, the ability to initiative and autonomy, and it is the best important key compentence for employability, active citizenship and personal development of young people. The entrepreneurship is the skill to better catch the opportunities offered by transnational mobility experiences and by school-to-work programmes.

PLANNED ACTIVITIES
