ALIANZA INTERNACIONAL PARA EL DESARROLLO DE LOS JÓVENES

Erasmus+

All students complete their internships as part of their official training, with insurance included and within the Erasmus+ programme.

Why host international students as interns?

- Highly motivated students with solid technical training
- 100% funded internships (at no cost to the company)
- Contribution to cultural diversity and international outlook
- Enhancement of corporate social responsibility
- Opportunity to meet and assess future professionals
- Ongoing support and monitoring throughout the internship

What profiles do the students have?

- Administration and Management
- Commerce and Marketing
- Logistics and Transport
- IT and New Technologies
- Hospitality and Tourism
- Healthcare and Social Care
- Education and Social Intervention
- Maintenance, Industry and Technical Services

What services do we offer?

At AIDEJOVEN, we provide:

- Careful selection of the most suitable student profile
- Prior coordination of objectives and tasks
- Ongoing monitoring throughout the placement
- Support in case of any issues
- Direct and smooth communication with the company

Our goal is to make the experience simple, valuable, and enriching for both parties.
