HE ENTRECOMP DIGCOMP

1st December 2020 to 30th November 2022

DEVELOPMENT OF ENTRECOMP & DIGCOMP FRAMEWORK IN HIGHER EDUCATION

2nd Newsletter - October 2021

C1 - Training Activity was held in Athens, Greece! Development of ENTREComp and DIGComp Framework in Higher Education

The first training course C1 activity of the project was presented from 2nd to 4th of September 2021 in Athens, Greece. According to Project aims and goals, it is ensured that teacher and experts from Higher Education attended to the meeting. The organizer was Hellenic Open University and the representatives of all partners as OSTiM Technical University, OSTiM Vakfı, Aile ve Sosyal Hizmetler Bakanlığı, UDIMA - Universidad a Distancia de Madrid, Polaris S.r.l. , HOU – Hellenic Open University and AIDEJOVEN.

The celebration of C1 – Training Activity in Athens, it is focused **to design support strategies in the realization of future HACKATHON events.** On the other hand, the first part of the GUIDE (O1/A2) was announced and based on the established agenda, the preparation of the second part was agreed.

This guide will include the tools and new methodologies that will be used during the training teachers. It will contain theoretical material on the European Reference Frameworks in Entrepreneurship and Digital Competences (ENTRECOMP and DIGCOMP) and will offer tools and techniques to be applied in Higher Education, **including good practices shared by the partners offering the teacher the necessary tools to implement it in their educational centers in the during the (O1/A3 Implementation in Higher Education**

C1-Activity Details and Groups of Participants.

The main goal of C1 is contribute to Higher Education teachers, in which teachers was trained in the use of EntreComp and DigiComp in Higher Education. According to this, the training sessions was designed including the methodologies, materials and contents corresponding to EntreComp and DigComp, as well as the development of a HACKATHON, and making use of innovative methodologies.

We have had the participation of 4 teachers per project partner who have worked together for 3 days, exchanging ideas and designing the projects that they will implement in their center.

TRANSNATIONAL MEETING

On September 2nd and 3rd, 2021, we have held the first face-to-face transnational meeting, although the second of the project, in Athens - Greece organized by the partner HOU - Hellenic Open University in which we have discussed the following topics:

- Review of Project Activities & Next steps.
- Collecting/checking the important project documents among partners (original version of the agreements, timesheets, declaration of the project meeting, declaration of LLT, declaration of intellectual output etc.).
- Discussion on strategies for the design and challenges of future HACKATHONES.
- Announcement of the first part of the GUIDE (O1/A2).
- Discussion of the guide (O1/A1) and the design of specific project for the educational Centers (O1/A3)

Next steps of the project – First HACKATHON in Madrid!

First HACKATHON will be organized in Madrid (Spain) during 10th-12th December 2021. It will be an example for the organization of future HACKATHONs in the different partner countries.

Also, the fourth transnational meeting (M4) will also be in charge of and the strategy for the second GUIDE (O2 / A1) will be considered during the meeting. Coinciding with the development of half of the project, it will serve to carry out a general evaluation of the project and the level of quality acquired, assessment of the monitoring through the EPALE platform and other important points.
