HE ENTRE DIGCOMP

1st December 2020 to 30th November 2022

DEVELOPMENT OF ENTRECOMP & DIGCOMP FRAMEWORK IN HIGHER EDUCATION

3rd Newsletter – March 2021

HACKATHON FOR SDG, MADRID-SPAIN

From December 10th to 12th, 2021, within the framework of the **HE-ENTREDIGCOMP Development of Entrecomp and Digcomp Framework in Higher Education project**, we have held a **HACKATHON FOR SDG** event at the Hotel Persal in Madrid, organized by the Spanish partners **AIDEJOVEN International Alliance for Youth Development and UDIMA Distance University of Madrid.**

The event has had the participation of **33 Higher Education students** from the **IES Salvador Allende** centers in Fuenlabrada, **IES Santa Engracia in Madrid and IES LUIS VIVES in Leganés.**

The objective has been to **design and develop innovative ideas for products or services with some technology base** to resolve one or more of the 17 SDGs, adopted by the United Nations in 2015.

The event lasted three days and the participants received **several training pills from different experts** in the field of entrepreneurship and communication.

On the last day, a jury made up of an expert in the development of startups, a project technician from AIDEJOVEN, a FOL professor and head of the entrepreneurship classroom at the IES Salvador Allende Institute, and with the

collaboration of the project partners from Italy, Turkey and Greece have evaluated the projects and prototypes presented, resulting in winners:

All projects will be included in the Guide for the Development of Business Competition and Innovation.

TRANSNATIONAL MEETING IN MADRID - SPAIN

On December 13th and 14th, and once the HACKATHON was over, the second face-to-face transnational meeting of the project was held in Madrid. This coordination meeting in which all the project partners have participated, has dealt with the following topics:

- **Assessment of the next project activities:**
  - Last review first part of the Guide and translations in all languages.
  - Implementation of the Educational Projects by the teachers.
  - Discussion on strategies for the design of the guide.
  - Second part of the Guide.
- **Management and Dissemination Activities:**
  - Financial issues and report of dissemination activities.
  - Debate around the expectations of the projects and the first obtained results.
- **Evaluation of the Hackathon:** Resolution of doubts and sharing ideas on the implementation of the next HACKATHONS in other countries.
- **Next Steps of the project:**
  - Review of the next steps of the project.
  - Dates for next Transnational Meeting (virtual).
  - Activity and dates for C2 Activity.

NEXT STEPS OF THE PROJECT

From this date, the **HACKATHON events will be held in Italy, Greece and Turkey**, taking as an example the one held in Madrid, adapting it to each country, profile of participants and convening organizations.

On the other hand, **the teachers who participated in the C1 Training Course on the Development of the ENTRECOMP and DIGCOMP Framework in Higher Education, will implement their own project based on these frameworks and will have the opportunity to present the results in the second part training, C2 to be held in Vasto, Italy.**
